Fan of the *A-maze-ing Laughter* sculptures at English Bay's Morton Park? Here's your chance to vote for its inclusion into the **Great Places in Canada**.

The laughing statues located by English Bay at Morton Park are part of the **Vancouver Biennale**. Titled "*A-maze-ing Laughter*" by artist **Yue Minjun**, they were originally on loan to the city. On any given day, you'll often find visitors hanging from them or laughing with them (or at them) while posing for a photo or two.
